

British Values: Statutory Framework for EYFS Reference

3.72

The DfE have recently reinforced the need “to create and enforce a clear and rigorous expectation on all schools and Early Years setting to promote the fundamental British values of:

- Democracy
- The rule of law
- Individual liberty and
- Mutual respect and tolerance of those with different faiths and beliefs.

At Parson’s Green Nursery, we believe that the EYFS already provides a solid foundation to encourage a child’s understanding and acceptance that we live in diverse communities with many different cultures and lifestyles.

We listen to children’s and parent’s voice. Parent questionnaires are completed and acted upon and. Children are given opportunities to make choices and decisions e.g. being involved in naming our school pets, developing themes within our role play area, deciding upon food for breakfast club and having direct input into our planning on the parents and children’s input to planning section of our planning sheet etc

We consistently reinforce our high expectations of children. Children are taught the value and reasons behind our expectations (rules) that they are there to protect us, that everyone has a responsibility and that there are consequences when rules are broken.

Within nursery, children are actively encouraged to make choices, knowing that they are in a safe and supportive environment. As a nursery we educate and provide boundaries for young children to make choices safely, through our provision of a safe enabling environment and effective teaching. Children are encouraged to know, understand and exercise their rights and personal freedoms.

Part of our ethos and behaviour policy is based on ‘Respect’. Our behaviour policy outlines that everyone has the right to :-

- Feel safe and a responsibility to ensure the safety of others
- Feel respected and a responsibility to show respect for others.
- To be supported both in their learning and everyday life and a responsibility to assist and support others.
- Be treated fairly and to treat others fairly.
- Move freely and safely, subject to rules.
- Have property kept safe and a responsibility to care for the property of others.
- Members of staff have a responsibility to provide good role models to all pupils by demonstrating respectful behaviour.
- Children have a right to be taught in a respectful manner.

We aim to enhance children's understanding of different faiths and beliefs by participating in a range of celebrations throughout the year. Children have the opportunity to dress-up in clothes and try different foods from other cultures, this also links directly to the nurseries equality and diversity policy and inclusion policy. The broader a child's experiences, the more confident and effective they are likely to be at contributing to Britain's diverse society.
